Apply by
1-29-21

salli.c@arcmi.org

This is an interactive, online training to become effective advocates and promote positive change in systems of care.

Participants must have internet access and a computer or device with which to participate. Men who complete the training will receive a \$450 stipend upon completion of the first year, Sept. 30, 2021. Participants will also receive mentoring to apply for positions on relevant advisory councils, boards of directors, and other policy-making bodies.

TOPICS INCLUDE

Disability History & Pride, Telling Your Story, The Power of Advocacy and Partnering with Policymakers

Understanding Medicaid Services, Understanding Community Mental Health & Hospital Health Systems
